Commissioner for Patents

The reply filed on September 22, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant argued that claim 9 has been amended to incorporate recitations originally included in dependent claim 15. However, claim 9 recites the buffer pattern being between portions of the conductive layer pattern. Applicant failed to show the support or how the portions are formed. The claims previously described forming a conductive layer pattern and it is not mention of the term "portions". See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
